

THE DEMISE OF AMERICA

JUDGMENT OF BABYLON WEIGHED IN THE BALANCE

A Sword Coming to Divide the Nation

The purpose of these illustrations are to provide some possible Biblical interpretation of the Hybrid Eclipse that will be seen in New York City (NYC) on the morning of November 3, 2013. Why NYC? 1) It is the première city and often labeled as the 'Capital of the World'. 2) It is also the main financial center with its Stock Market. 3) It is the symbol of commercialism with 5th Avenue, etc. 4) Lastly, it is a representation of the nation, the USA or America as a whole as it was its 1st Capital. Why this eclipse? Because it is the rarest of Hybrids in that only 7 have occurred since Christ & very significant as to its timing and location.

If what the Solar Hybrid Eclipse portrays prophetically against the sky is a 'writing on the wall' figuratively speaking for NYC and the USA, then both in particular are about to experience its demise, a judgment and division. At what time? That remains to be seen, it could be weeks, months, year, etc. This study is only postulating that the imagery that accompanies this rarest of Hybrid Eclipses in Libra, to be seen in the morning skies over the NYC skyline and from the Statue of Liberty, is prophetically echoing the 'writing on the wall' as it was for Babylon, that Great City of old during the time of the Prophet Daniel. The element GOD used as the agent for judgment was water. It is an omen to the 'City' and to the 'Nation' being weighed in the balance of GOD YHWH i.e., Balances of Libra & found guilty; this is the 'handwriting on the wall' if you will; of a message of judgment, demise and division.

Ground Zero in NYC is basically America's Giza Plateau. It is almost now an exact proportional replica of the Pyramids in Giza, especially now with the completion of the Freedom Tower. This Freedom Tower completes the 3 main Pyramids that are mirrored from those in Egypt. It also has the inverted & mirrored elongated HEXAGRAM design.

The new 1776 feet, with Antenna, Freedom Tower will not be celebrating the USA's Declaration of Independence but a birthing of the Illuminati Messiah as the old destroyed Twin Towers helix morphs into the 'One' new Tower. It is in the midst of this 'hidden Pyramid complex' like Giza dedicated to Osiris/Horus/Nimrod to be 'resurrected'. Again the height of the Freedom Tower with Antenna is 1776 Feet. To be completed in 2013,

THE DEMISE OF AMERICA

Judgment of Babylon Weighed in the Balance

A Sword Coming to Divide the Nation

Mercury

Saturn

Mercury rises first, as it is just above the Sun when the Eclipse occurs. It is pronouncing this coming 'weighing in the balance', judgment and demise of the Great City; Great Nation that once was, but now to be divided with the sword prophetically. The other planet that follows the Eclipse is Saturn that many would attribute to Kronos, or father time as in a time to end and begin, a conclusion of an episode. Perhaps this is the very divine message to this Great City of America. A message to note that America, Babylon has been given over to Satan and is to be weighed, judged and divided by a sword. Interestingly, the Eclipse begins near the Longitude of NYC and it ends near the Longitude of Babylon in Iraq. Mathematically, this Hybrid Eclipse conjoins NYC with Babylon in a perfect phi ratio ϕ when the Eclipse reaches its Maximum at 0° Latitude, 0° Longitude. What are the odds of this?

THE HANDWRITING ON THE WALL

The imagery of where this November 3 Hybrid Eclipse takes place is profound, in the midst of the Scales or Balances of Libra. Perhaps this Hybrid Eclipse is highlighting the 'writing on the wall' that the City and Nation of America has been placed on these Scales, weighed and found short of the expected standard and thus judgment is to follow by the Sword of Lady Justice.

What is this demise? It is of a national judgment and division of this Great City and Nation. IF this is to be a literal judgment, as in another attack like 9-11 or a natural catastrophic event like a tsunami, EMP or nuke, that remains to be seen as well.

This study postulates that this 3-Woman stage typology has been and will be the pattern of the City and Nation in terms of its evolution and sad conclusion. There is a past, a present and future condition; the Virgin, the Harlot and the Justice. Sadly, NYC and America has presently become the Whore of Babylon that once was the Virgin America and will now experience the wrath of GOD and be divided by the Sword that Lady Justice has. With some poetic license here, the Statue of Liberty will morph into the Justice of Liberty that will hold up the Scales of Libra as the Torch is represented by this Hybrid rare Solar Eclipse. What she has on her other hand as the Book of Promise will be morphed into a Sword that will divide instead.

Since 9-11, and because of this attack on NYC, the USA and the world has changed forever how the USA views the world and how the world views NYC and America. Many believe that 9-11 is when America lost its innocence. Because of this event, an inside job or not, it forever changed how America treated its own people, its own citizen and how the USA went back on the Promise engraved on the very Statue of Liberty. Too many, she ironically stopped being the 'beacon of hope & light that she once represented. For the purposes of this study, NYC represents 3 types of women metaphorically throughout the history of the City which is an embodiment of the USA as a whole. The 1st Women is Virgin America as in Lady Liberty, the 2nd Woman is the Harlot of Babylon and 3, Lady Justice.

THE DEMISE OF AMERICA

Judgment of Babylon Weighed in the Balance

A Sword Coming to Divide the Nation

It is interesting that what will come up first from the horizon over NYC is Virgo, the very same 'Woman' that represent virtue, morality and purity as was America. Then the sky is followed by Libra, the Scales of Judgment. Then the Eclipse occurs around 6:30am local time as it breaks the horizon. Most interestingly is that the Hybrid Eclipse occurs at the apex of Libra's Balances, right in the middle as it is also flanked in the midst by the planets Mercury and Saturn. With this combination, it is a prophetic depiction of Lady Justice, with a Balance on one hand and a sword on the other.

3 PROPHETIC TYPES OF WOMEN PORTRAYING AMERICA

Virgin America

The 1st Woman represented NYC and America through the Statue of Liberty with the Torch of Liberty as a beacon to aid those seeking freedom from persecution, be it religious, social, or political. She provided hope for the down-trodden steeped in poverty that allowed untold many a chance at a new beginning and life. She represented the compassion and all that is right about America that is the USA with its law and order based and founded on the US Constitution and Bill of Rights. These documents that are heavily based on the Judeo-Christian moral precepts changed the world for good.

The Harlot of Babylon

The 2nd Woman now represents both NYC and America as a whole metaphorically speaking by the Whore of Babylon. What goes on in the underground of NYC and in the homes across America is totally unimaginable, down right satanic. There is much evil and sin but the growing numbers of circumstances merits an alarm. There has been increases and not decreases of such a condition of the heart, soul and minds of the people abound; child and slave-trafficking, drugs, illicit sex, violence and corruption, greed etc. This typology of the Harlot of Babylon is a true representation of what is currently wrong with America.

Lady Justice

In the coming future, the Statue of Liberty will now soon become Lady Justice for this Great City and Nation. Why? Because when a City and/or Nation turns its back on its Creator it will then next turn and be against those that stand for GOD's godly principles and morals. We are seeing this now in cities all across America. As the stenographer rightly spoke by the Power of the Holy Spirit during Congress, a City and Nation cannot serve 2 Masters. It was a verbal warning to the Rulers of America.
